Date: June 5th 2020
Name of the event: CLEAN AND GREEN
Place of the event: BITS Campus

NSS, BITS under the shed of Swachh Bharat Abhiyan took the initiative of promoting healthy living through cleaning the Campus on June 5th, 2020. The event was named "CLEAN AND GREEN" which comprised the removal of all plastic and non-biodegradable waste from the entire Campus especially from the roots of trees, grass and the green patches. The NSS Volunteers of BITS worked hard all throughout the event starting with arrangement of dustbins and cardboard boxes, seeking for permission and arranging the requirements like cardboard boxes and buckets for collecting the waste and ending with proper disposal of plastic and non-biodegradable waste.

The event started at 8 A.M. with about 35 participants overall from different years. Workers from the Campus also lent their help and support. The Volunteers collected almost all the plastic wastes from all around the Campus and packed those into cardboard boxes and dumped them into the waste carrying vehicles.

All the Volunteers felt a great sense of satisfaction after the completion of the event. They conveyed special thanks to NSS PO, Asst. Prof. P. Raghu, who was there to not only guide but also helped the Volunteers clean the Campus. Overall, the event was grand and successful.

The Centre has banned the use of 'single-use plastic'. The Ministry for Environment, Forest and Climate Change had issued a gazette notification last year announcing the ban. As the name suggests, it refers to plastic items that are used once and discarded. Single-use plastic has among the highest shares of plastic manufactured and used from packaging of items, to bottles (shampoo, detergents, cosmetics), polythene bags, face masks, coffee cups, cling film, trash bags, food packaging etc. An awareness campaign on ban for the use of Single use plastic was organized by the NSS unit of BITS, Visakapatnam on **3-07-2022**. The NSS volunteers (around 40 volunteers) have conducted an awareness campaign in the premises of pm palem, car shed and madhurawada by taking a rally and raising slogans on the hazardous effects of single use plastic.

They have conducted door to door campaign and enlightened the household people about the ban on the use of single use plastic. K.S.S.N.Reddy, Principal, BITS, all the Heads of the departments, NSS programme officers, around 40 NSS volunteers, teaching and non-teaching staff participated in the **NO PLASTIC AWARENESS CAMPAIGN** and made the programme a grand success.

Name of the event: AWARENESS PROGRAM ON ANTI-SOCIAL ELEMENTS

Collaborating Agency: AP POLICE, Visakapatnam

No. of students participated: 250

The NSS unit of BITS, Visakapatnam, organized AWARENESS PROGRAM ON ANTI-SOCIAL ELEMENTS in collaboration with AP POLICE, on 7-1-2021. The camp began at 10.00 a.m. with a short inaugural ceremony with C.I, pm palem, bits principal and other members.

In the legal sphere, the term 'anti-social elements' represents a loose legal designation for persons who are deemed habitually to commit, or attempt to commit, or abet the com- mission of, a wide range of offences. It may also be used to denote people reputed to be desperate and dangerous to the community. Police officer expressed his gratitude to the NSS unit for its continuous endeavor in this regard. He also stressed on impacts of anti social elements and guided the young volunteers for their contribution towards the growth of the nation.
