2.6.1 Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

The college has clearly stated learning outcomes of the Programs and Courses. The following mechanism is followed by the institution to communicate the learning outcomes to the teachers and students.

1. Hard Copy of syllabi and Learning Outcomes are available in the departments for ready reference to the teachers and students.
2. The importance of the learning outcomes has been communicated to the teachers in every IQAC meeting and College Committee meeting.
3. The students are also made aware of the same through Tutorial meetings.
4. Workshops have also been conducted for developing the Programme specific outcomes at department level.

For each program, Program Outcomes (**POs**) and Program Specific Outcomes (**PSOs**) are designed in alliance with Vision and Mission of the Institution along with feedback from various stake holders like students, parents, alumnus, industrial persons, and faculty. Then Program Assessment Committee designs the **PSOs** for each program which is approved by College Academic Committee. For each program, Program Outcomes (**POs**) and program specific outcomes (**PSOs**) are listed in institution website. The **POs** and **PSOs** are displayed in respective program class rooms, laboratories for student's familiarity. The Course Outcomes (**COs**) are provided by the affiliated university, **JNTU, Kakinada**. Each course will have 5 or 6 units. One course outcome for one unit will be provided by the university. Course Outcomes along with attainments are maintained by the faculty in the course file. The faculties are discussed about course outcomes to the students.
