THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MoU, THE PARTIES HERE TO AGREE AS FOLLOWS:

2. CO-OPERATION

- 2.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the Institution and its related wings.
- 2.2 The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.
- 2.3 The general terms of co-operation shall be governed by this MoU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents as may be required to give effect to the actions contemplated in terms of this MoU.

3. SCOPE OF THE MoU

- 3.1 The talented students from the institutions could play a key role in technological upgradation, innovation and competitiveness of an industry. Both Parties believe that close cooperation between the two would be of major benefit to the student community to enhance their skills and knowledge.
- 3.2 **Curriculum Design:** Second Party may participate in this process as and when the First Party extends invitation for such activity. The cooperation may be sought in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.
- 3.3 **Industrial Training & Visits:** Industry and Institution interaction will give an insight in to the latest developments / requirements of the industries; the Second Party may permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs / Workshops / Industrial Sites for the hands-on training of the learners enrolled with First Party.

- 3.4 **Research and Development:** Both Parties have agreed to carry out the joint research activities in the fields of their expertise. The outcome of the R&D would be subject to the INTELLECTUAL PROPERTY section of this MoU.
- 3.5 **Skill Development Programs:** Second Party to train the students of First Party on the emerging technologies in order to bridge the skill gap and make them industry ready and vice-versa.
- 3.6 **Expert Lectures:** Second Party to extend the necessary support to deliver expert lectures to the students of the First Party on the technology trends and in-house requirements and vice-versa.
- 3.7 **Faculty Development Programs:** Second Party to train the Faculties of First Party for imparting training as per the requirement in concerned sector/specialization, if available and vice-versa.
- 3.8 **Training and Placement of Students:** Second Party will actively engage to help the delivery of the training and placement of students of the First Party into internships/jobs; and will facilitate placements for the students.
- 3.9 **Consultancies, R&D and other Academic Matters:** The Parties will extend cooperation to each other in such a manner that it is mutually beneficial but does not create a conflict of interest on either's part. If such situation arises, the terms mentioned in the ARBITRATION section of this MoU would be resorted to.

4. ARBITRATION

- 4.1 Any dispute arising with regard to any aspect of this MoU shall be settled through mutual consultations and agreements by both Parties.
- 4.2 In the event of non-resolution of disputes through mutual consultation, the Parties hereby submit to the exclusive jurisdiction of the Telangana Courts of Law. The arbitration shall be conducted in accordance with Arbitration and Conciliation Act of 1996 and the venue of the arbitration shall be in Kota jurisdiction of dispute.
