3. Examinations
4. Student Counseling

DISCUSSIONS

1. The HOD informed that the students and faculty to participate proactively in BEES QUEST 2K21 and students should make their own projects and should participate in the EXPO.
2. The HOD informed that the students have to appear for examinations on Jumbling Pattern. Every college will be allotted an engineering college which will be primea for examinations for that current year and current semester students. Faculty along with hostel wardens will be accommodating the hostel students for safe and timely reach to the allotted college centers.
3. The management has expressed the Counseling of students is not up to the mark, hence the HOD is advised to strictly monitor in this regard and inform the Chief counselor with detailed report with the files. The Management may verify these files anytime.
4. The HOD has informed all the faculty and meeting presences that the Management is proposing to conduct an INTERNATIONAL CONFERENCE ON MANAGEMENT SCIENCE ENGINEERING AND APPLICATIONS by signing MOU with other Universities, in the months of November or December. In this regard all the faculty has to submit at least one paper for the conference.

The meeting concluded with light refreshments.

WORKSHOP FOR BEGINNERS

Python is an object oriented, high level programming language with dynamic semantics. Its easy to learn syntax emphasizes readability and therefore reduces the cost of program maintenance.

R is a programming language and free software environment for statistical computing and graphics. It is widely used among statisticians and data miners for developing statistical software and data analysis.

REPORT

NAME OF THE PROGRAM : A 3 DAY WORKSHOP ON PYTHON & R PROGRAMMING

DURATION OF THE EVENT : 08/12/2021 TO 10/12/2021

**RESOURCE PERSON DETAILS : MR. M.DINESH KUMAR HIRAWAT,
CEO&MD- HMI ENGINEERING SERVICES**

The Department Of CSE Organized A 3 DAY SEMINAR ON PYTHON & R From 08/12/2021 TO 10/12/2021 (2 Days). The objective of this seminar is to make students to understand the concepts of Python and R programming through the perspective of campus interviews. Mr. M.Dinesh Kumar Hirawat explained the concepts related to Python and R which helped the students to gain knowledge of concepts in depth. On the last day of the program he made students to do programming on python which were useful for future programming skills. Around 130 students attended the program.

Objective of an Event:

- Understand the meaning and importance of Fluid Mechanics.
- Get a basic knowledge of various approaches in Fluid Mechanics.
- Learn how to implement the knowledge in attaining good score in GATE and competitive exams.
- Identify how and where it would be used.
- Students able to learn different mathematical approaches on Fluid Mechanics and apply in real time applications.

Description of the Event:

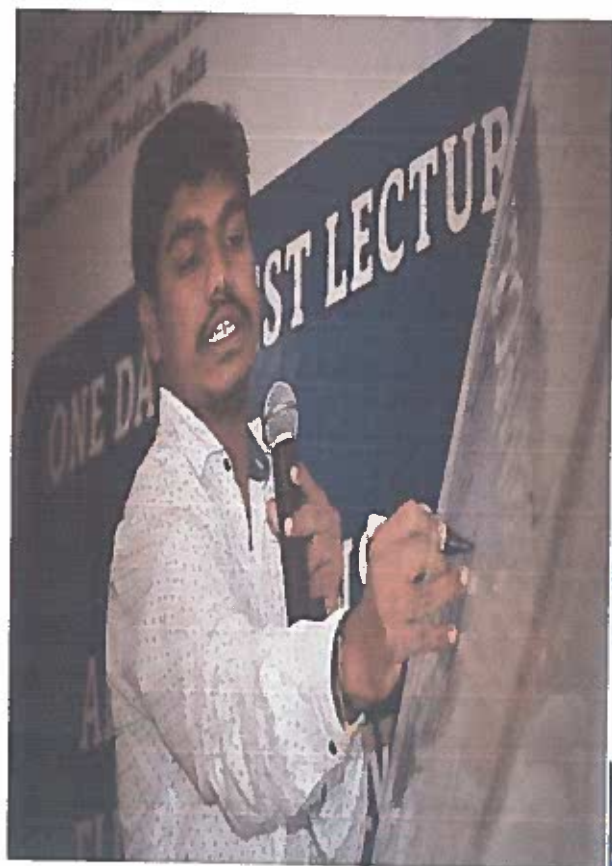

Fluid mechanics is the branch of physics concerned with the mechanics of fluids (liquids, gases, and plasmas) and the forces on them. In this lecture it was mainly focused on various mathematical approaches on fluid mechanics which will enable the students to solve various fluid mechanics problems.

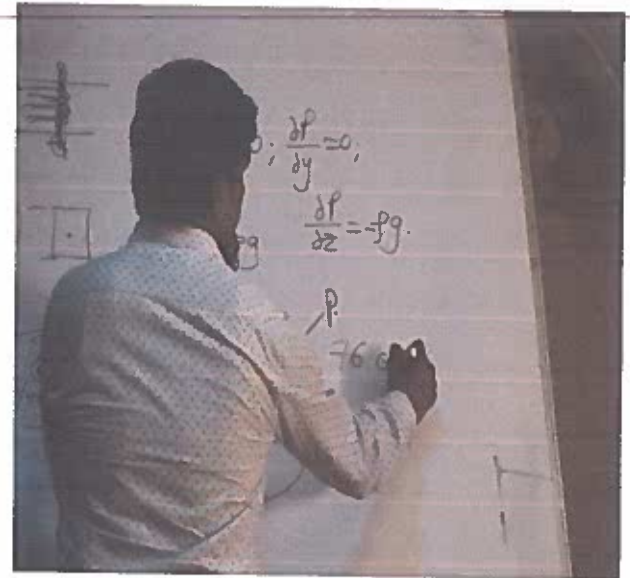

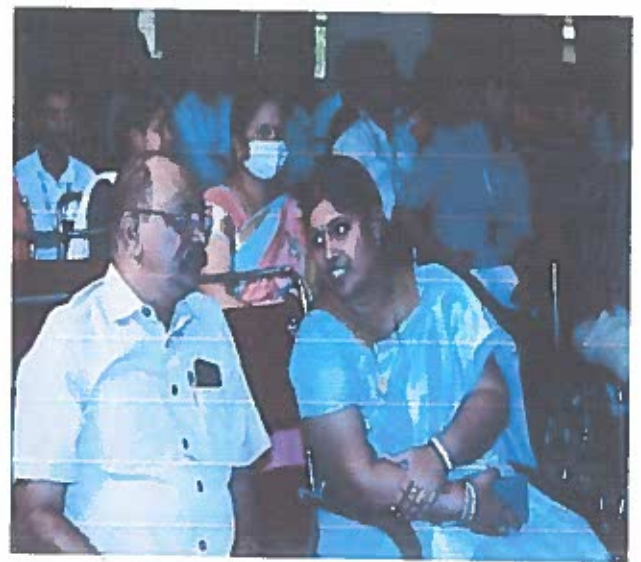

Program Schedule:

Date: 20/09/2021

Timings: 10:00am- 12:30PM

Outcomes of an Event:

- Student gain the knowledge about the Fluid mechanics in terms of mathematical approach which helps in solving various problems.
- Student can able to understand the fundamentals of Fluid mechanics.
- Student able to use the approaches in various competitive exams to solve the problems related to fluid mechanics.

REPORT

NAME OF THE PROGRAM : A 3 DAY SEMINAR ON NETWORK PROTOCOLS
DURATION OF THE EVENT : 10/11/2021 TO 12/11/2021 (2 Days)
RESOURCE PERSON DETAILS : MR. S. RAM KUMAR,
MANAGING DIRECTOR,
MADE EASY

The Department of CSE organized A 3 DAY SEMINAR ON NETWORK PROTOCOLS from 10/11/2021 to 12/11/2021 (2 Days). The objective of this seminar is to make students to understand the concepts of protocols related to networking through the perspective of GATE exam. Mr. S. Ram Kumar explained the concepts related to networking which helped the students to gain knowledge of concepts of computer networks. On the last day of the program he made students to solve problems related to networking which were useful for GATE exams. Around 140 students attended the program.

REPORT

Name of the Program: THE ROLE OF GEO SPATIAL TECHNOLOGIES IN WATER RESOURCES

Duration: 21ST MAR 2021

Name of the Chief Guest : G YESURATNAM
Professor, (WATER RESOURCES)
College of Engineering, JNTUK.

Outcomes:

- Have a thorough understanding of the theories and principles governing the hydrologic processes
- Be able to quantify major hydrologic components and apply key concepts to several.
- Practical areas of engineering hydrology and related design aspects
- Develop Intensity-Duration-Frequency and Depth-Area Duration curves to design
- Hydraulic structures.
- Be able to develop design storm and carry out frequency analysis
- Be able to determine storage capacity and life of reservoirs.
- Develop unit hydrograph and synthetic hydrograph
- Be able to estimate flood magnitude and carry out flood routing.
- Be able to determine aquifer parameters and yield of wells.
- Be able to model hydrologic processes

ABOUT BITS VIZAG

BABA Institute of Technology & Sciences (BITS) is located in a growing campus area of 15 acres in P.M. area, Madhurawada, about 100m from NH 5 & is uniquely and wisely situated at the foot of along and jaggedly mountainous hill, enjoying a fresh air and southern sun throughout the guiding campus. The new campus, situated from a scenic view, provides a unique and inspiring environment for young minds to learn & acquire the knowledge and skills to get a jump of knowledge and recreation opportunities in the fields of Technology, Science and Management.

ABOUT DEPARTMENT

The Department of Civil Engineering was established in 2010 to offer students a solid foundation in the utilization of resources and greater understanding of construction processes required by the construction industry. Students are taught how to use and employ innovative design methods and techniques to constructively faced planning, construction design and project management are key aspects of the course.

OBJECTIVE OF THE PROGRAMME

To develop a basic understanding of the use of space water resources, accurate information about natural resources is the most basic and crucial requirement. Data is needed on parameters such as Rainfall, Availability of surface water resources, Groundwater resources, Land use/cover maps, Elevation, Slope, Land surface temperatures, Biomass etc. Not only information is needed, but tools are also required to properly analyze such information for place's purposes. It is here that geospatial information and technology, such as remote sensing, visualization, GIS, Lidar, UAVS can play a crucial role.

INTERNATIONAL Faculty Development Program on Multi Objective Optimization Design & Industrial Applications

What's trending about the theme?

Multi-objective optimization is an area of multi criteria decision making, that is concerned with mathematical optimization problems involving more than one objective function to be optimized simultaneously

*Target Audience – Engineering Faculty (Academia) / Ph.D Research Scholars / Practising Engineers

DISCUSSIONS

1. The HOD informed that the students and faculty to participate proactively in Electro Expo 2k18 and students should make their own projects and should participate in the EXPO.
2. The HOD informed that the students have to appear for examinations on Jumbling Pattern. Every college will be allotted an engineering college which will be primea for examinations for that current year and current semester students. Faculty along with hostel wardens will be accommodating the hostel students for safe and timely reach to the allotted college centers.
3. The management has expressed the Counseling of students is not up to the mark, hence the HOD is advised to strictly monitor in this regard and inform the Chief counselor with detailed report with the files. The Management may verify these files anytime.
4. The HOD has informed all the faculty and meeting presences that the Management is proposing to conduct an INTERNATIONAL CONFERENCE ON MANAGEMENT SCIENCE ENGINEERING AND APPLICATIONS by signing MOU with other Universities, in the months of November or December. In this regard all the faculty has to submit at least one paper for the conference.
5. Mr. Krishna Mohan, AGM, RINL has agreed to support and nurture the students interested in Industrial Visit and Mini Study Projects in the Visakhapatnam Steel Plant.

The meeting concluded with light refreshments.

ABOUT THE INSTITUTION

Baba Institute of Technology & Sciences (BITS) is located in a sprawling campus area of 15 acres of land, in P.M. Palem, Madhurwada, about 3km away from NH-5. It is uniquely and ideally situated at the foot of a long and thickly greenish, imposing hillock on western and southern sides overseeing the building complex. The cool breeze perennially blowing from the picturesque mountains marvelously motivates and inspire the young minds to learn to acquire the knowledge and skills to get a place of distinction and recognition for themselves, in the technological, scientific and management fields.

ABOUT THE DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING

The Department of Computer Science and Engineering started in the academic year 2005-2006. The department's prior strength is its Faculty. With 20+ notable expertise faculty, the department of Computer Science creates its own signature in educating the student in academics and in addition to many more obligatory skills. The Students Forum – Valiant Wizards has been established by the Students in the year 2017 and since then Workshops, Seminars, Guest Lectures, Training Programs have been under its drive and a lot of enthusiastic ones are ahead to be followed. In recent times Coding Club, named CodeSense was exclusively initiated by the Dept to meet and enrich the skillset of students in terms of programming ability.

To,

Mr. Adnan Patel

CEO / Software Lead – Triangle

Sub: Acceptance to be the Guest for Inaugural of Codesense.

Respected Sir,

We are quite excited and delighted to share with you a much needed update that the Dept. of CSE, BITS Vizag is initiating a Coding Club exclusively for the Students of BITS Vizag, with a determined schedule of training students in the realms of Coding and Programming.

We are quite aware of your journey to victory and the dedicated interest you've shown towards Coding and development of different applications till date. In accordance to the above, I would take this opportunity in inviting you to be our Guest for the Inaugural. The Event will be on 18th July, 2019 at the Central Seminar Hall of BITS Vizag at 14:30 hrs and all the additional information is available in the attachment herewith.

We would love to have your presence as well as look forward to see you addressing the young minds and install additional interest and dedication in their minds in accordance to Coding and Programming.

Looking forward to have your presence.

Thanks and Regards

(Mr. S. Durga Prasad)

Secretary, Codesense

Head, Department of Computer Science and Engineering
BITS Vizag.

Ref : Acceptance to be the Guest for Inaugural

Dear Sir,

I'm quite overwhelmed to look at the initiative that your department has moved ahead in terms of training students. I strongly believe that Coding and Programming Skills are one of the best skills that are being looked upon nowadays for a job related to Computer Science undoubtedly.

I would take this as a pleasure of mine to be at the venue ahead of time and also have some real good communication with the students. I personally would love to have a timeslot of 40 to 45 minutes where I could deliver my presentation in accordance to the subject at the event mentioned earlier.

Please do confirm my acceptance and thank you so much for making me an obliged person for the event. I would look forward to have some really good associations with the department as well as the Student Body.

Thanks and Regards,

Mr. Adnan Patel

ABOUT THE INSTITUTION

Baba Institute of Technology & Sciences (BITS) is located in a sprawling campus area of 15 acres of land, in P.M. Palem, Madhurwada, about 3km. away from NH-5. It is uniquely and ideally situated at the foot of a long and thickly greenish, imposing hillock on western and southern sides overseeing the building complex. The cool breeze perennially blowing from the picturesque mountains marvelously motivates and inspire the young minds to learn to acquire the knowledge and skills to get a place of distinction and recognition for themselves in the technological, scientific and management fields. The college is bestowed with picturesque nature beauty combining with calm and serene environment that makes the campus a Shanti Niketan in the city of destiny.

ABOUT THE DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING

The Department of Computer Science and Engineering started in the academic year 2008-2009. The Department has excellent infrastructure facilities and Laboratories.

The department attracts students in different disciplines to work with it for a true global exposure in accordance to computer science and information technology. One of the strengths of the department is its strong entrepreneurial culture where many students have successfully involved themselves in creating their entrepreneurial ventures.

The Department aims at imparting quality education in Computer Science & Engineering through various programs and has been successful till date.

This is to bring to your kind notice that Haul Innovation Pvt. Ltd. is an Indian entity exploring itself in various sectors like Practical Educational Training, Professional Training and Corporate Training with most advanced technologies and experience in hands. This

program will provide a platform where young engineers can mold their imagination into reality where they feel excitement first hand. With this end in view, we extend our support and technical expertise to the young engineers of your College in the form of this program.

DISCUSSIONS

1. The HOD informed that the students and faculty to participate proactively in Electro Expo 2k17 and students should make their own projects and should participate in the EXPO.
2. The HOD informed that the students have to appear for examinations on Jumbling Pattern. Every college will be allotted an engineering college which will be primary for examinations for that current year and current semester students. Faculty along with hostel wardens will be accommodating the hostel students for safe and timely reach to the allotted college centers.
3. The management has expressed the Counseling of students is not up to the mark, hence the HOD is advised to strictly monitor in this regard and inform the Chief counselor with detailed report with the files. The Management may verify these files anytime. Mr. Kshatri Devi Singh expressed that he is getting reports of his ward in time by her counselor.
4. The HOD has informed all the faculty and meeting presences that the Management is proposing to conduct an INTERNATIONAL CONFERENCE ON MANAGEMENT SCIENCE ENGINEERING AND APPLICATIONS by signing MOU with other Universities, in the months of November or December. In this regard all the faculty has to submit at least one paper for the conference.
5. Mr. Krishna Mohan, AGM, RINL has agreed to support and nurture the students interested in Industrial Visit and Mini Study Projects in the Visakhapatnam Steel Plant.

The meeting concluded with light refreshments.
