If you join Our Organization, you will become part of a fast-paced and dedicated team that works together to provide our clients with the highest possible level of service and advice.

As a member of Our Organization team, we would ask for your commitment to deliver outstanding quality and results that exceed client expectations. In addition, we expect your personal accountability in all the products, actions, advice and results that you provide as a representative of Our Organization. In return, we are committed to providing you with every opportunity to learn, grow and stretch to the highest level of your ability and potential.

We are confident you will find this new opportunity both challenging and rewarding. The following points outline the terms and conditions we are proposing.

Title: Junior Trainee

Start date: November 7th, 2017

Salary: 1.8 Lakhs / Annum

Following the initial probationary period, a progression and performance review will be conducted on a quarterly basis to assess performance to-date, and to clarify or modify this arrangement, as the need may arise.

We look forward to the opportunity to work with you in an atmosphere that is successful and mutually challenging and rewarding.

Dear Mr / Ms.

This is reference to your application and a formal request received from BABA INSTITUTE OF TECHNOLOGY AND SCIENCES, Visakhapatnam, for Internship in Product Design Engineer (Automotive) and the subsequent round of discussion that we had recently. We are pleased to inform you that you have been selected for the Internship Program and your date of Joining will be 3rd, February 2017. Your Internship duration will be for a period of 6 months. You need to carry your own laptop to attend this fulltime internship.

Duration: 6 Months (Full Time), Timings: 9.30 AM to 5.30PM

Total Hours: 1200 Hours, Internship Type: Self Finance.

Location: Pioneer-Accept, Flat: 403, Sirugudi Arcade Krishna Towers, Beside Rama Talkies, Srinagar, Visakhapatnam-16

Placement Assistance: After completion of the internship program, all the engineers are eligible to work with the Automotive/Aero Design and Engineering companies. As per our HR policy, performance of each intern will be evaluated during the internship period and top/best performers will be considered for placement after successful completion of academics, provided they meet the criteria of our recruitment process.

We believe that we will have a long-lasting professional relationship with you.
