Republic Day Celebrations – Sports Organized by the

Department of Physical Education

26th January 2017

Report

The Republic Day of India was celebrated with great enthusiasm and respect at BITS Campus. Like every year, this year, also all the students and faculty members of our BITS College had organized a grand program on the occasion of this Republic Day. Everyone was feeling very happy that day because it was a matter of great pride for all of us because on 26 January 1950 the constitution of India came into force and our country, India became a republic. Parade and flag hoisting took place on the college grounds as usual. The Principal of our college hoisted the national flag and gave a motivational speech on the topic "Youth Power".

This was followed by some speeches on patriotism and singing the national anthem. Many students also did different types of programs. On that day the campus of our college was decorated by the students with charts, models, slogans, and poems. All the students were dressed in traditional costumes representing different parts of India. In the end, the program was concluded by distributing sweet boxes to all the students. The ceremony started at 9.30 am, with a huge crowd of staff and students. The assembly ground was decorated in saffron, white and green color paper flags.

The honorable Secretary & Correspondent Dr. K. Srilakshmi & Principal Dr.N.VictorBabu garlanded the Bharat Mata and Father of Nation followed by unfurl of the Indian flag by our Secretary & Correspondent. The whole group saluted the National Flag and vowed themselves to upholding the righteousness and honesty, diversity and exceptionality that is "INDIA".

The prizes for winners were distributed by correspondent. The ceremony came to an end with the national anthem and the group was cheering to the slogan "Jai Hind" filled with the spirit of patriotism. The staff members and students dispersed after snacks and drink with the image of the fluttering tricolor in their minds.

The program left the young pupils enthused and inspired to become future citizens of the country. Indeed, it was a day of joy, a day of love and respect towards our motherland, a day of realization that freedom is sacred and we must do everything to ensure that India becomes a better place to live.

Academic Year 2016-2017

Sankranthi Sambaralu – Sports Organized by the

Department of Physical Education

12th January 2017

Report

Sankranthi is the harvest festival of Andhra Pradesh. A festival to thank God for all his goodness and mercies and to look forward to a prosperous year. It usually falls on the 14th or 15th of January in the English calendar. BITS College celebrated Pongal on the 12th of January for the year 2017.

Students were asked to report by 9:15 a.m. for the first hour of class. The students arrived in traditional dhotis and sarees to mark the occasion. The celebration started around 9:30 a.m. The entrance of the staff room was decorated with colorful Rangoli. The college gathered to celebrate pongal with their respective departments with the supervision of the staff members of the college. It was an ambience filled revelry, music, dance and the joyful faces reverberated with big smiles.

Each department was allocated a spot for their celebration inside the college campus. The department of English were allotted near the main building. Pongal was prepared by the department staff and students. The ceremony was inaugurated by lighting the firewood, by Principal and other dignitaries. As the milk came up to the brim of the pot, boiled water and milk overflowed and the crowd cooed 'pongalo pongal' to express oneness. The soaked rice and dhal was poured into the boiling milk and water. The first handful of rice was added by principal followed by other professors and students.

Meanwhile there were other activities conducted. The management had organized an interdepartmental rangoli competition for the students to celebrate the traditional art forms. There was also a modern dj to balance the tradition. Sweet Pongal and sugarcane were distributed to all the students. There were a bunch of students taking turns in enjoying the bullock cart ride around the campus. The traditional game where people are blindfolded and are asked to hit a mud pot hanging from a rope with a rod. The day came to an end with the announcement of the prize winners for the best Pongal and Rangoli done by the departments. Everybody left home with memories as it was yet another joyous celebration BITS College had to offer.

Department of physical education also conducted the games like cricket, kabaddi, chess, caroms and volleyball for students on the eve of sankranthi sambaraalu. The principal of BITS College given the trophies and certificates for the winners and runners.

NAME OF THE EVENT :TRADITIONAL DAY

DATE OF THE EVENT :12th JUNE, 2016

The **TRADITIONAL DAY** was celebrated with great gusto and enthusiasm. The students came fully clad in their traditional dress. Their attire looked simply amazing as they collectively displayed an array of colors that reflected the diversity of India. It was a moment of great joy and pride as we all stood united to celebrate the spirit of Indian Tradition. All the students gathered on the field and then marched along the driveway to show their love and respect for their country and to promote „UNITY IN DIVERSITY“. The celebrations were followed by cultural programmes where the first year students of B.Tech had a blast showing their talents on the stage which included ramp walk, dances and skits. Students were completely in their high traditional competitive spirit.

REPORT

NAME OF THE EVENT : PRABANDH

DATE OF THE EVENT : 5th FEBRUARY, 2017

The **PRABANDH** was celebrated with great gusto and enthusiasm. The students came fully clad in their traditional dress. Their attire looked simply amazing as they collectively displayed an array of colors that reflected the diversity of India. It was a moment of great joy and pride as we all stood united to celebrate the spirit of Indian Tradition. All the students gathered on the field and then marched along the driveway to show their love and respect for their country and to promote „UNITY IN DIVERSITY“. The celebrations were followed by cultural programmes where the first year students of B.Tech had a blast showing their talents on the stage which included ramp walk, dances and skits. Students were completely in their high traditional competitive spirit.
