GWEST 2020

Global Webinar on Engineering, Science and Technology (GWEST 2020)

13th and 14th June 2020

Theme: CHALLENGING TECHNOLOGIES POST COVID'19 ERA

Baba Institute of Technology and Sciences (BITS), Visakhapatnam, India and Institute for Engineering Research and Publication (IFERP) India jointly organize *Global Webinar on Engineering, Science and Technology (GWEST 2020)* on 13th and 14th June 2020. The Global Webinar will bring together academics and industrialists to explore the *Challenging Technologies Post Covid'19 Era*

Tracks covering Engineering, Science, Technology and Management issues and applications include, but are not limited to:

- ❖ Smart Manufacturing
- ❖ Online Assessment
- ❖ Healthcare Supply Chain
- ❖ IOT & Cyber Security
- ❖ AI & Data Sciences
- ❖ Regression Analysis
- ❖ Work from Home
- ❖ Digital Library

Global Webinar Highlights

- Peer-Reviewed, Scopus Indexed Journals Affiliation
- Opportunities for Oral Presentation and Attend all sessions
- Renowned Keynote Speakers & International Participants

Registration and Dates

- NO REGISTRATION FEE
- Full Paper Submission : 24th May 2020
- Notification of Acceptance : 1st June 2020
- Upload Paper in IEEE Format

Accepted Papers will be published in **Scopus Indexed Journals** with a nominal publication fee payable to **IFERP**

DESCRIPTION:

INTRODUCTION TO “OBJECTIVE OPTIMIZATION DESIGN AND INDUSTRIAL APPLICATIONS”

Resource Person:

Dr.N.Victor Babu,

Professor, Department of Civil, BITS-VIZAG

OBJECTIVES

Single objective optimization is an effective approach a best solution, where a single objective is maximized or minimized.

- Multiple objective optimization can derive a set of nondominated optimal solutions that provide understanding of the trade offs between conflicting objectives.

Outcomes:

After completion of the training program,

- Optimizing involves collecting as much data as possible and trying to find the optimal choice
- Optimization is the process of improving the efficiency, productivity and performance of an organization.

26.08.2019

To

The Principal,

Vignan's Institute of Information Technology (A)

Visakhapatnam., A.P.

Dear Madam,

Sub: Request for guidance and support - towards BITS Vizag NAAC accreditation - regarding...

Ref: UGC - vide communication No. D.O.No. F.1-1/2018(Seey) - Dt. 04.06.2018 to Vice Chancellors of all universities.

As per the reference cited, UGC had set out some specific objectives towards improving quality in Higher Educational Institutions (HEIs). One of those targets is for all HEIs to get NAAC accreditation by the 2022.

With respect to this subject, we are happy to note that Vignan's Institute of Information Technology (A), which has 'A' grade NAAC accreditation with a score of 3.41/4.00 is not far from the location of our campus. And it is very apparent to understand that your staff members / faculty should have gained enough knowledge and experience to transfer the same and guide our staff / faculty towards attaining NAAC accreditation to our BITS Vizag.

As our college is also preparing to put up the application to NAAC board for accreditation, I request your kind self to depute some of your staff members who have that expertise to visit our campus and guide our staff / faculty members towards attaining NAAC accreditation.

Thanking you in anticipation of your kind cooperation and support.

Sincerely,

PRINCIPAL

(Dr. C.V. Gopinath)

Resource person, Dr. Narasimham Challa , Professor of Computer Science & Engineering & Dean – IQAC demonstrated the importance of NAAC

The Resource person demonstrated about accreditation identifies the quality of the institute in terms of its Education, Research, faculty, Infrastructure, etc, as well as giving students confidence that they are selecting a quality institution. It gives an institute instant credibility and increases its admissions.

Outcomes:

After completion of the training program, the faculty members will be

- Arrange for periodic assessment and accreditation of HEI's.
- Stimulate the academic environment for promotion of quality in teaching learning and research in HEI's.
- Encourage self evaluation, accountability, autonomy and innovations in higher education institutions.
- Undertake quality related research studies, consultancy and training programmes .
- Collabrate with other stakeholders of higher education for quality evalution, promotion and sustenance.
